MEMORANDUM FOR: Mr. Richard Lehman  
Deputy to the DCI for National Intelligence

FROM:   
Deputy to the DCI for the Intelligence  
Community

SUBJECT: KIQ Strategy Reports

25X1

1. Now that the KIQs for FY 77 have been coordinated and disseminated, the Intelligence Community Staff is receiving an increasing volume of questions concerning the exact nature of collection and production focus the KIQs address. Although we have attempted to provide relevant answers to many of these questions, I believe KIQ Strategy Reports to be the best method of insuring uniform interpretation.

2. It is suggested that the NIOs publish and disseminate a schedule indicating the proposed publication date for each KIQ strategy report. I believe the early publication of strategies will forestall additional questions as to interpretation and will insure the early understanding of collection and production responsibilities. As indicated in the Introduction to the KIQs, the IC Staff continues to be interested in participating in strategy development and will provide whatever assistance as may be necessary.
